A COMMUNICATION TO PITTSFIELD

J. F. DRAKE

PARK PLAZA APARTMENTS
128 North Craig Street
Pittsburgh 13, Pa.

January 2, 1963

Board of Selectmen
Town of Pittsfield
New Hampshire

Dear Sirs:

I am, this day, sending to the Town Treasurer \$500 as a gift to the Town of Pittsfield to provide for Band Concerts for the 1963 season. When you report this to the Town Meeting in March, I would thank you to state that is given as a memorial to my late father and mother, Mr. and Mrs. Nathaniel S. Drake, who always enjoyed the Band Concerts during the later years of their lives.

I have been especially pleased that, during the past two or three years, there were so many young people who were members of the Band, and I trust that, in the years to come, the same situation will hold true.

Sincerely yours,

J. FRANK DRAKE.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Greenleaf Auditorium in said Pittsfield on Tuesday, the twelfth day of March, next at ten of the clock in the forenoon until six-thirty in the afternoon; and at Greenleaf Auditorium in said Pittsfield at eight of the clock in the afternoon to act on the following subject:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen to install a street light at the junction of Routes 107 & 28 near residence of Harold J. McClary and raise and appropriate the sum of Eighty Two Dollars & Eighty Cents (\$82.80) for this purpose. (By Petition)

4. To see if the Town will raise and appropriate the sum of Eleven Hundred and Seventy Dollars (\$1,170.00) to be paid to Concord Hospital for the year 1963. (Without recommendation by Budget Committee)

5. To see if the Town will vote to authorize the Selectmen to rebuild River Road from the junction of Lyford Hill Road to the junction of Page Street and raise and appropriate the sum of Fifty Three Hundred Dollars (\$5,300.00) for this purpose. (Recommended by the Budget Committee)

6. To see if the Town will vote to authorize the Selectmen to rebuild and pave Broadway Extension from the junction of Cram Avenue to the junction of Depot and Carroll Streets and raise and appropriate the sum of Twenty Four Hundred Dollars (\$2,400.00) for this purpose. (By Petition)

7. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of purchasing a piece of Fire Equipment for fire protection and raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be paid into said fund in 1963. (By Petition) (Recommended by the Budget Committee)

8. To see if the Town will vote to authorize the Selectmen to purchase a new snow plow for the maintenance of highways and streets and raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) for this purpose. (Recommended by the Budget Committee)

9. To see if the Town will vote to reduce the Tax Collector's commission from one per-cent as voted in 1944 to three quarters of one-percent commencing with the 1963 tax levy.

10. To see if the Town will vote to adopt the Housing Standards Law as provided in Chapter 48-A of the State of New Hampshire Laws 1959. (Copy of same in local paper)

11. To see if the Town will vote to raise the sums of money recommended by the Budget Committee for Town Expenses for the year ensuing and make appropriations of the same.

12. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1963 taxes, the same to be paid from that year's levy.

13. To see if the town will vote to accept the following Trust Funds:

*Received in 1963

DONOR	PURPOSE	AMOUNT
Jeanne Geradet	Rev. Gustave S. Girardet Floral Park	\$100.00
George E. Holloway, Jr.	Robert H. A. Adams & George E. Holloway, Jr.—Floral Park	200.00
*Iva M. Newton	Fletcher-Jones Lot Floral Park	250.00
*Frank & Virginia Charron	Frank & Virginia Charron Lot No. 169, Mt. Calvary Cemetery	200.00
*Irene Goodwin	Irene Goodwin, Lot No. 276, Mt. Calvary Cemetery	150.00

14. To see if the Town will vote to authorize the Selectmen to give a two per-cent (2%) discount for Thirty Days on property taxes paid in full to start with the 1963 tax warrant.

15. To transact any other business which may legally come before said meeting.

Given unto our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and sixty-three.

HARVEY A. MARSTON,
RICHARD C. FOSS,
STEVEN A. DAVIS,

Selectmen of Pittsfield.

A true copy of Warrant—Attest:

HARVEY A. MARSTON,
RICHARD C. FOSS,
STEVEN A. DAVIS,

Selectmen of Pittsfield.

Treasurer.

SELECTMEN'S REPORT

The year 1962 has gone forever, but during it's stay brought improvements which will be with us for years to come.

Some of these projects are the shaping, drainage and bridge work on Fairview Road which has been in need for years. Pittsfield's section of the Jenness Pond Road was completed in connection with the Northwood's T.R.A. project.

The so-called iron bridge or "Mary's Bridge", was noticed to be in need of repair. Bids were received for the job and the contract was given to Clayton W. Chase Co., Inc. It was discovered that the bridge was weighted with many tons of unnecessary decking material which was removed. Steel beams were replaced and all of the metal work scraped and painted for many more years of service.

The Town Factory on Joy Street was torn town, burned and cleaned up doing away with a great fire hazard and making available a site for some modern building. This will also save the town a substantial amount of money each year on an insurance policy.

A general face lifting operation was performed in the Selectmen's office. It was badly needed and we are proud of our home away from home. The other room where we have voted for the past several years was converted to a classroom. This room at present accommodates a portion of the second grade pupils.

Respectfully submitted,

HARVEY A. MARSTON,
RICHARD C. FOSS,
STEVEN A. DAVIS,

Selectmen.

SUMMARY OF RECEIPTS

CURRENT REVENUE:

From Local Taxes; Collected & Remitted to Treasurer:

Property Taxes, Current Year	\$148,556.70

**REPORT OF THE TRUSTEES
OF CARPENTER MEMORIAL LIBRARY
1962**

The activities of the library have progressed and increased during the course of the past year.

A new librarian, Maureen Van Horn, has replaced Ethel Goodwin, our devoted librarian of many years, who chose to retire in mid-fall.

Many new books, magazines and reference materials have been added to the library in an effort to be of service to the community.

Circulation Report:

Adult Books	6,338
Juvenile Books	4,577
New Books	295
Registrations	528

Respectfully submitted,

R. C. VAN HORN,
Secretary.

Respectfully,

KENARD F. AYLES,
Special Justice.

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control—pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 3 fires.

We burned 2 acres.

Permits issued, 150.

GEORGE A. REED,
Forest Fire Warden, Pittsfield.

GERALD H. HIGHT,
District Fire Chief

CIVIL DEFENSE

Phase one of the National Shelter Survey Program of the Federal Government has been completed for Pittsfield.

This survey was made by Architect-Engineers Koehler, and Isaak, 1880 Elm Street, Manchester, N. H.

The minimum requirements for Public Fallout Shelters are:

Protection Factor — To be prescribed for each area

Capacity — 50 persons

Net space — 10 square feet per person with Mechanical Ventilation; 500 ea. ft. per person without Mechanical Ventilation

Headroom — 6½ Feet

Lighting — Austere

Storage space — 1 cu. ft. per person secured storage-food, water, etc.

All buildings were surveyed for shelter capability and none qualified; therefore, Pittsfield will not have a Public Shelter Program. In view of these findings we urge the citizens of Pittsfield to give some consideration to Fallout Protection of your own. Please report your Family Shelter Location to the Civil Defense Director.

From State Civil Defense Personnel, Mrs. Virginia H. Legro was the speaker at a Woman's Club Meeting held at the Jenkins Memorial Room.

Mr. Maurice Philbrick, Assistant State Communications Officer was guest speaker at a meeting held at the Fire Hall.

Our Civil Defense Auxiliary Police Chief, Jim Anderson, held several meetings showing films on Police Work and held First Aid Classes under the supervision of the American Red Cross.

Radio Officer, George Reed, has organized a unit of the Citizens Band Radio Operators to assist in the Communications Service.

In conclusion, I wish to emphasize that the theme for Civil Defense for 1963 will be "Fallout Protection" and may I point out that an effective Civil Defense requires the participation of every citizen.

RICHARD F. HERRICK,
Director.

RICHARD E. CLARK,
Ass't. Director.

DISTRICT NURSING ASSOCIATION REPORT

From January 1, 1962 to January 1, 1963

ADOLPH J. DAROSKA,
Auditor.

REPORT OF RECREATION COMMISSION

The Doctor F. B. Argue Memorial Pool was opened a week earlier this year, giving swimmers a ten week swimming season instead of the usual nine.

Three senior life guards namely Steven Franzeim, Douglas Jenisch and Carolyn Franzeim, the latter two also being instructors, were hired for the season. Kathleen Leduc's duties consisted of taking care of general admissions and keeping attendance records.

The season total attendance was 4,723. This does not include children attending lessons in the morning. Free swimming lessons were offered to all Pittsfield children and 253 participated. Pre school, adult, junior and senior life saving courses were offered. Because of the advancement of swimmers from the previous year diving and skin diving classes were added and proved very popular. Two special event days were held at the end of the season with ribbons being presented to the winners of each event. Norine Miller was crowned queen of the pool for the 1962 season.

The water was tested every week throughout the swimming season by the New Hampshire Health Department and each time the water was found to be of good swimming quality. This has and always will be the policy of the commission to have the water tested during the swimming season.

New facilities added to the pool this year were: additional beach sand, a yankee regulation one meter diving board and the construction of dressing rooms in the bath house. The total cost being \$677.73 which was paid for from the swimming pool committee funds. The swimming pool committee each year sponsors dances and other activities to raise money to make additional improvements at the pool. The diving board added this year, brought many of the high school students to the pool for the first time and was in constant use.

Tentative plans for the coming season are: a water slide, telephone, water bubbler, flutter boards, completion of the interior of bath house and more beach sand.

The committee at this time wishes to thank individuals, merchants and organizations who have so generously given of their time and money so that we might each year make improvements to the pool and its grounds.

Respectfully submitted,

ANN CARPENTER
MARGARET JENISCH
EMMA THOMPSON
GILBERT PAIGE
F. SYDNEY NISBET

George Reed	Vernon Lawton
Archie Rogers	Willard Bishop
Rodney Boyd	Edward Riel

Fire Department Equipment

- 2 — 500 Gal. Pumpers (1941-1947)
- 1 — 1,000 Gal. Tank Truck
(3 trucks radio equipped)
- 1 — Forest Fire Truck
- 1 — 12 Foot Rescue Boat with Trailer
- 2 — Scott Air Packs
- 1 — Resuscitator
- 1 — 1,000 Watt Lighting System
- 1 — Base Station Radio
- 3 — Morrow Radio-phones
- 1 — Rescue Truck

FIRE DEPARTMENT REPORT

There were 52 Box Alarms this year, including, 2 false, 15 still alarms, 1 call for rescue truck, and 1 call for the resuscitator. Seven outside calls for the tanker. Town water shut-off signal sounded twice.

Engine No. 3 was used 36 hours to supply water for the town in an emergency.

This year we had five deaths caused by fire.

Weekly fire alarm box tests were started Saturday July 21, at 12 noon. Twenty-five tests have been made and four boxes found out of order.

During the summer No. 3 and No. 4 companies again practiced laying hose, use of fog nozzles, pump operation and ladder work.

Fire training school started Monday P. M. October 22, 7 to 9 P. M. for eight weeks with Deputy Chief Rodney Boyd as instructor.

The training consisted of ventilation, forcible entry, attacking and extinguishing fire, protective breathing apparatus, rescue, use of rope and resuscitator.

An engineer from N. H., Board of Underwriters, checked all our equipment including building and alarm system. The equipment found to be in fine condition for its' age. The 1941 pumper is considered to be obsolete as far as Underwriters are concerned after 20 years service.

Board of Firewards have met Friday evenings to check radio, pumps and equipment etc.

IN REPORTING A FIRE — CALL 435-6522.

Respectfully submitted,

CLARENCE E. ROBIE,
Chief of Fire Department.

WALTER HALL,
Supt. of Fire Alarm System.

REPORT OF PITTSFIELD PLANNING BOARD

March 12, 1963

The Planning Board has no administrative authority, but, by exploring the community's problems, it attempts to visualize future trends and gives its advice and plans for solution to the Selectmen and the townspeople.

Usually the Board's program falls into two phases —

First: A long range phase to be carried on over a period of time. The information gathered is to be used as a basis for recommendations in special studies as well as for the gradual creation of an over-all plan of development. The basic tool needed for all studies is a town base map. From this base map, basic studies can be made, as Population distribution, Land use, etc.

Second: Special studies will be carried out as time permits and in the order of necessity. Studies involving immediate problems should be made for the purpose of making immediate recommendations to the Town Meeting.

Included in these are:

Fire Protection, Relocation of Existing Schools or Location of New Schools, Extension of Electrification, Extension or Abandonment of Roads, Sewage Disposal, New Area for Residential Development, Zoning, Parks and Recreation, Town Forest (Recreational or capital investment).

All studies can be followed by orderly plans calling for gradual improvements in the community. New roads, schools, parking problems, authorization of a zoning ordinance can be included in a comprehensive plan visualizing goals which all townspeople want in creating a more attractive community.

Progress Report:

1. The Planning Board selected Hans Klunder Associates as Planning Consultants after interviewing several consultants.

2. We have set up a schedule of eighteen monthly meetings. Each meeting is for the study of a definite subject.

3. At each meeting the Consultant provides the material for study. His report is based on the field study as well as the Consultant's knowledge and experience of similar problems.

4. Several studies, base maps and current aerial photos have now been completed and have been set up here in this room for your observation.

5. All of the above will be used in making our recommendations which we plan to submit to the 1964 Town Meeting.

At this time we recommend that you accept and put into action the recommendations made by the Selectmen in activities of Town Warrant.

Respectfully submitted,

ALLEN K. REMINGTON,
Chairman.

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Pittsfield:

I respectfully submit my second annual report as your Superintendent of Schools.

Mrs. Rachel A. Sherburne

There must be a very special niche somewhere in this world or the next reserved for conscientious, dedicated teachers. The highest tributes should be awarded to those who have given the years of their lives to the betterment of the generations who shall follow them.

At the Grammar School Mrs. Rachel Sherburne will complete her duties at the end of this school year, and her retirement, after 31 years in the Pittsfield Schools, will be felt by many.

Mrs. Sherburne is a native of Pittsfield and attended school here, after which she graduated from Salem Massachusetts Normal School. She has also, over the years, taken many extension courses from institutions including Boston University, Harvard College, University of New Hampshire, and our two State Teachers Colleges.

But if retirement has its sad side in seeing a real friend leave the familiar classroom scenes, it is also a time for a happy retrospect and review of the days in the classroom where undeviating integrity was demanded, but constantly tempered by her love and sympathy for and understanding of the children in her charge.

So, these are but words, Rachel, and may be inappropriate to describe what your service has meant to us, but go forth if you will, knowing that true gratitude is probably better felt than expressed, and for you, our feeling of appreciation for your life of service is an undying one.

Best wishes, always.

Staff

School opened in September 1962 with a staff of thirty teachers. There were seven changes in personnel.

Mrs. Emma Barnes, a well known Pittsfield resident and respected teacher, returned to the profession and is teaching grade two at the Town Hall.

Mr. Paul Beeman, graduate of the University of New Hampshire was employed to teach grade five, replacing Mrs. Marjorie Lawton who resigned in June.

Mr. Charles Anderson, graduate of Boston University was employed to teach physical education, replacing Mr. Conrad Pratt who resigned to accept a position in New York.

Miss Bernyce Moran, graduate of the University of Massachusetts was employed to teach science, replacing Mr. Kent Locke who resigned to accept a position with a pharmaceutical company.

Miss Annette Turla, graduate of Salem Teachers College was employed to teach Junior High Mathematics, replacing Mr. Burton Hinkley, who resigned to accept a new church assignment in Massachusetts.

Mr. Richard Verrill, graduate of Plymouth Teachers College, was employed to teach Social Studies, replacing Mr. Bruce Pelton who resigned to accept a position as a Guidance Counselor in Concord.

Mr. Ronald Snell, graduate of Plymouth Teachers College, was employed to teach Junior High Science, replacing Mr. John Cochran who resigned to accept a position in Maine.

Building and Finance

In October the School District voted to authorize an addition to Pittsfield High School which should insure adequate facilities to the children of Pittsfield for several years to come. The new addition will include two science laboratories, two business rooms, a home economics laboratory, two academic classrooms, a new library, a music room, shower and locker facilities, a gymnasium and new cafeteria.

The projected cost for the project was estimated to affect the tax rate by .48/\$100 valuation for building and .14/\$100 for additional overhead. Your school board's proposed budget will come within this figure as you will see from the figures given below.

The additional increase is due to salary increments, and the addition of two teachers to handle the expanding enrollment as well as to meet the minimum standards as required by the State Board of Education for Approved Comprehensive High School. A third teacher is being proposed for special education, since Pittsfield in cooperation with Barnstead and other neighboring towns now have sufficient numbers of children to warrant a class for

the retarded here in town. These children have been taken care of in Wolfeboro, but with the savings in transportation and tuition it will cost no more to have these children educated in our own town.

Summary of Costs.

Building — Voted October 1962

Principal Payment	\$10,500.00 (net)
Interest Payment	9,570.00

\$20,070.00

(tax impact .48/\$100 valuation)

Additional Overhead — Attributed to Building (Voted October 1962)

Janitor	\$3,200.00
Heat	2,000.00
Utilities	750.00
Insurance	100.00

\$6,050.00

(Tax impact .14/\$100 valuation)

Salary Increments — Teachers	\$5,350.00
Two Additional Teachers due to enrollment	9,000.00
Teacher for Retarded	3,000.00
Net — balance to come from tuition	
Supplies, Added Enrollment	1,278.32

\$18,628.32

The net increase for building, overhead, and increased operating costs totals \$44,748.32 of which the district had already approved \$26,120.00 in October when voting the new building by an endorsement of 305 yes and 130 no!

It is gratifying indeed, to see the citizens of Pittsfield support their schools in the manner which was done last October. With the new facilities we will continue to move forward to insure our children of the best quality instruction we can possibly obtain.

School For Exceptional Children

For two years Pittsfield children have been attending the South Wolfeboro School for Exceptional Children. The children attending the school are living proof of the value of this kind of education which cannot be provided in a regular classroom without taking a disproportionate amount of time from the regular course of study.

There are presently seven Pittsfield children attending the South Wolfeboro classes and with others already showing interest it is the school board's intent to provide a class for these youngsters here in Pittsfield.

The children from Barnstead will also attend the Pittsfield class insuring an enrollment of between 12 and 15. By training these children to provide for his own financial needs as an adult there is a great saving to society, not only in terms of manpower and human resources, but in terms of cold cost which some form of taxation must otherwise be provided to care for an unproductive citizen.

Curriculum

Many details of the changes made in our educational program are explained in the Principal's reports contained in this Annual Report to the voters. I trust that after you read these reports you will visit your schools to discuss the program and its revisions, especially in the areas of Reading and Mathematics which have undergone considerable change, with the Principals and teachers.

Drake Field

Considerable time and money was spent in making repairs and improvements to the Drake Field facilities during the past year. Projects completed to date have included: the installation of a new drain pipe beginning at the catch basin by the swings across the field to the river; the entire fence surrounding the field has been straightened and re cemented into place; the grandstand received a fresh coat of paint, and the dressing rooms were refinished; grills have been installed over the windows below the grandstand; additional lights installed on the tennis courts and new posts were installed for holding the nets. A new merry-go-round was also added to the equipment for the younger children.

We hope that something may be done with replacing the fence around the tennis courts this year and some fill added to the field which will improve the ball diamond.

The summer program was well attended and for a complete report I refer you to George Liouzis summary of the summer playground activities.

Again I would like to give special mention on behalf of the Pittsfield School Board, the children of Pittsfield, and all citizens to Colonel J. Frank Drake for his continued willing support of the field. Colonel Drake generously contributed \$2000.00 toward the aforementioned list of repairs and improvements completed over the summer months.

Good schools are the result of a devoted and energetic teaching staff, an enlightened citizenry, and cooperative civic organizations and club groups. Pittsfield is blessed with having all of these.

I wish to again thank the Pittsfield School Board, all school personnel and the citizens of Pittsfield for their cooperation and their support of our public schools.

Respectfully submitted,

HOWARD F. KELLEY,
Superintendent of Schools.

IV. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. REPORT OF THE HIGH SCHOOL PRINCIPAL

To the School Board Members, Superintendent of Schools, and Citizens of Pittsfield: It is with pleasure that I submit this, my annual report, to you.

What is happening to our school system?

Not too long ago, this question was raised by a citizen in one of our local newspapers. In reply, I should like to list some of the recent developments in our school.

1. Pupil enrollment has grown from 320 in 1960-61 to 370 in 1962-63, an increase of 50 pupils. We expect the enrollment will continue to grow at the same rate in the near future.

2. As a result of recent efforts by all staff members, Curriculum Guides have been made available to all teachers. We expect these guides will improve the continuity within our program and provide valuable information for further Curriculum Development.

3. New courses are being offered in order to meet the contemporary needs of our pupils. They are as follows:

- (a) Modern Math in Grades 7-8-9
- (b) Sociology-Psychology
- (c) Music Appreciation
- (d) Advanced Technical Problems
- (e) Drafting
- (f) Industrial Arts and Home Economics in Grade 7
- (g) Group Guidance in Grades 7 & 8
- (h) French III (Next Year)
- (i) Art (Next Year)

4. In some areas the practice of offering courses on an alternating-year basis has been discontinued. It is hoped that in the near future it will be economically possible to eliminate all alternate-year offerings.

5. At present all teachers are assigned to areas in which they are fully trained and qualified. Also, in some cases, teachers have had a reduction in the number of

different preparations. This type of situation tends to improve teacher load and morale which, in turn, leads to the improvement of instruction for our pupils.

6. Next year we shall have three class sections for all required courses. This development will permit us to group the pupils according to their abilities, needs, and interests.

7. In an attempt to improve teaching techniques, procedures in the supervision of instruction have been made more formal and systematic. Areas of emphasis are:

- (a) Frequency and Length of Classroom Visitations
- (b) Written Reports
- (c) Individual and Group Conferences

8. Increased emphasis has been placed in the following areas of educational experience for our pupils:

- (a) Composition Exercises
- (b) Oral Expression (Class Participation)
- (c) Written Homework Assignments
- (d) Note-taking and Notebooks

9. Audio-Visual Aids and Reference Books for the Library have been purchased for the purpose of supplementing and improving classroom instruction. We are still lacking a great deal in these areas and continued emphasis is most urgent.

10. A new and improved system for evaluating and reporting pupil progress has been incorporated. It includes:

- (a) A Uniform and Realistic Marking System
- (b) A New Report Card
- (c) An Honor Roll System
- (d) Conferences With Guidance Counselor

11. New attendance regulation have been developed and enforced to eliminate unnecessary pupil absences. This was done to promote a seriousness of purpose and responsibility within all our pupils. We are pleased to report that improvements have been made in this area.

12. A pupil Code of Behavior has been developed and enforced. This action not only informed the pupils of acceptable appearance and behavior, but has substantially decreased disciplinary situations in the school.

13. Guidance services to pupils have been substantially increased. Some of the areas are as follows:

- (a) Vocational Information
- (b) College Placement
- (c) Testing and Counseling
- (d) Follow-up Studies
- (e) Group Guidance
- (f) Educational and Personal Guidance

14. A recent survey reveals that over 37% of our high school pupils are taking more than four courses a year. Of the 208 pupils in Grades 9-12, 77 are carrying 5 or more major credit subjects. We believe this situation demonstrates the seriousness of purposes among our pupils.

15. Our drop out rate, namely pupils terminating their formal education, has been reduced to 2.5% since the 1961-62 school year. The State average is 20%.

16. Last year 65% of our graduating senior class continued their educational training by enrolling in a number of post-secondary schools. This was a 25% increase over previous years.

In conclusion, it is believed that we have a good school and we are proud of our achievements. Our student body is cooperative and productive. We recognize the influential role parents play in the success of any school program, and we respectfully seek your continued support.

Respectfully submitted,

CLAUDE R. JEAN,
Principal.

B. REPORT OF GRAMMAR SCHOOL PRINCIPAL

Only one change was made in our teaching staff this year. Mr. Paul Beeman from Laconia is teaching one of the Fifth Grades.

Mr. Beeman is doing some work in Physical Education in the basement recreation room where, due to limited space, it was necessary to restrict the size of the classes. Although our downstairs room leaves much to be desired, it is a good beginning.

Mr. Kipp uses our basement room, where we have a piano, for his music classes. He meets each class twice a week. He also has 17 beginners and 11 second year people attending his instrumental classes.

We are using TV Channel 11 as a teaching aid in Science, History and Literature. Art for Grade Five has been introduced this year.

Grades Three have been working on "Phonetic Keys to Reading". We hope to see good results by the end of the year. We find that the children are reading and enjoying our individual library books more than ever before.

Our new Arithmetic books help guide our pupils to understand the meaning of numbers, operations, and to develop skills to greater degree.

Mrs. Tuttle, Mrs. Murdough and Mrs. Presby have just completed an extension course in "Modern Mathematics".

With the continued help from the home, we feel that we are promoting the growth of good citizens for our town and country.

Respectfully submitted,

RACHEL A. SHERBURNE,
Principal.

C. REPORT OF MEMORIAL SCHOOL PRINCIPAL

This year has brought us the largest enrollment ever in grades one and two. As of this date, we have registered 77 in first grade. We expect, at least 65 in first grade during the year 1963-1964. The Town Hall has been pressed into housing one of our second grades and we are most fortunate in having Mrs. Emma Barnes join our staff as a regular teacher in that classroom.

We offered our optional entrance testing program last April for five-year-olds reaching six years of age between October 15 and December 31, 1962. Eleven were eligible, eight participated, four passed and three actually made the grade and have proven to be capable first graders. We hope to continue this policy.

In September we made a drastic change in our approach to the teaching of reading inasmuch as we introduced the "Phonetic Keys to Reading" in the first three grades. This is being carried on under a planned, rigid program of time and techniques along with the revised Scott, Foresman Company reading approach of the Sixties Edition. Results are most gratifying in the second grade. The first grades seem to be following a pattern of success established the past ten years by highly controlled and supervised classrooms. Time will tell to what degree we may be lessening an ever increasing reading gap in the middle and upper grades. Our arithmetic program is being up-dated with the "much talked about" new approach to the teaching of mathematics. We are using the most recent edition from Silver Burdett Company.

It really will be a welcome improvement to have the new classrooms added at the High School as it will relieve the over-crowded situations in our Primary Department.

Respectfully submitted,

HARRIET AMES,
Principal.

D. REPORT OF THE SCHOOL NURSE**1961-1962****School Health**

Number of Children given Vision Tests	618
Retest — 51	
Number of Children given Hearing Tests	615
Retest — 10	
Number of Children given Inspections	963
Classroom - 388 — Individual - 575	
Number of Parents Consulted	147
Number of half days given to school work	163
Number of Children successfully vaccinated	615
Number of Children excused from vaccination	2
Number of Children excluded from School	12
Number of Children accompanied to Oculist, etc.	4
Number of Children to dental clinic	23
Number of Home visits	41
Heights	617
Weights	617
First Aid	342
Public Polio Clinics - Oral (Sabin)	3

Defective teeth	No. Affected	Corrected
Temporary 63		
Permanent 165	228	395
Defective vision	42	91
Defective Hearing	3	Under doctor's care
Defective Skin	1	Under doctor's care
Posture	10	5
Speech	3	Improved to Therapist
Tonsils	42	6

Cases of Communicable Diseases

Chicken Pox	1	German Measles	4
Hepatitis	2	Mumps	1
Rheumatic Fever	2	Pediculosis	2

The general health of the school children seems very good. We had an epidemic of Chicken Pox and German Measles during the year. Our greatest need is dental work and now that we have a new dentist, Dr. Burke in with Dr. Carpenter, we hope to get a great deal more dental work done. We do appreciate the help given us by our local Lion's Club and the State for children needing glasses. Also, the Salvation Army and State for dental work. We have had three (Sabin) Polio Clinics and a great many children and parents attended. We wish to thank the parents, teachers, and School officials for their kind cooperation with the School Health Program.

Respectfully submitted,

DORIS H. DROLET, R. N.
School Nurse.

F. PITTSFIELD PLAYGROUND REPORT

The playground program this summer established a three level baseball program along with its general activities. The attendance was very encouraging.

The boy's baseball program was conducted at three levels according to one's ability, progress and age group. As in most learning behavior we must start on an elementary level and gradually progress to a more skilled one. The first level, the Peanut League, which the young and less experienced boys enrolled in, was an introduction to baseball, its team work, and the incentive to participate in the activities. Interest in the sport must be acquired at this level. The second level, the Future Mohawks, or intermediate level, stressed the basic fundamentals, and competition as an application of them. The Peanut League used a "cloth ball" for maximum safety as it enables mistakes to be less severe. The Future Mohawks is the first level to use the hardball.

The final level, the Mohawks, is Pittsfield's entry in the Indian League now in its fourth year. This League is our answer to organized baseball for young boys in our communities. Expansion of the league to seven teams is the hope for next season. Regardless of size of the community, the League has given interested boys the opportunity to play and learn our national pastime on an organized level. The entire 3 level program enrolled 96 young aspirants. Baseball and participation in it must be an interesting, worthwhile experience and I feel we have achieved our goal.

I wish to personally thank John Genest for his assistance in coaching the ball team.

The following activities and tournaments rounded out the Program: Girls softball team under the direction of assistant instructor Monica Vien, golf, tennis, pins, peggy ball, homerun hitting, chess, checkers, track, field, discus, shot-put, basketball and football. All tournaments were conducted on 3 levels, peewee division, junior division, and senior division.

I received the services of Walter B. Wells and Brian Brock who helped make the prizes. The awards and pre-

sentations, which consisted of 100 certificates, 40 ribbons, and 148 trophies, were awarded by school board member Hank Stapleton.

The Mohawks, Future Mohawks, coaches, umpires and fathers attended a major league game in Boston. Donations were received from: Lions, Rotary, Women of Rotary, Women's Club, Broadview Camp, Snowshoe Club, Norman Plante, George Liouzis, and the ball players' mothers who raised money from their food sale.

The summer months provide youngsters with a great amount of leisure time. How they spend this time in the community should be analyzed. The playground has served for many years as a social institution yielding principles of sportsmanship, discipline, cooperation, team work, leadership, physical exercise and social outlets. These principles are just as essential in summer play as they are in school. Recreational opportunity is provided to assure the enjoyable and constructive use of leisure time.

I firmly believe that the summer playground is an important part of our community. I admire the interest that was demonstrated by the citizens of Pittsfield. Only with your continued support can the summer program function. Pittsfield has never neglected to give the youth of the community the opportunity to express themselves on their ball diamond, basketball court, and in the class room. On their behalf I thank you all.

Respectfully submitted,

GEORGE LIOUZIS,

1962 Playground Director.

VI. TENTATIVE SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Pittsfield, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said district on the 7th day of March 1963, at seven o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To transact any other business which may legally come before said meeting.

RALPH W. BREWSTER
BETTY A. BURBANK
HENRY STAPLETON

School Board.

A true copy of Warrant — Attest:

RALPH W. BREWSTER
BETTY A. BURBANK
HENRY STAPLETON

School Board.
